

A stylized, abstract illustration of wine glasses and bottles. The composition uses bold black outlines and solid blocks of white and red. A large, bright red trapezoidal shape is positioned in the upper right, containing the word 'Boda' in a white, elegant cursive font. Below it, a tall, slender white bottle stands next to a large white wine glass. To the right, a smaller white wine glass is visible. In the background, several black wine glasses and bottles are depicted with simple outlines. The overall style is graphic and modern.
